

## MIDWEST TO EAST COAST ART SHUTTLE

Our East Coast Shuttle originates in the Twin Cities, travels to New York, then returns once a month. The shuttle services all points in between, including those points north and south of our direct route. We will make arrangements with your schedule in mind for the pick up and final delivery of your item or items. We can also make arrangements for proper packing and crating.

This shuttle service has been ongoing for 30 years and our current driver/technician team has been making this trip for 27 years. Extra technicians are available upon request to handle large or problematic shipments and/or installations. Our experience as a company ensures your shipment will arrive on time and in perfect condition.

For booking information, call us at (612) 378-1189, Extension 1, or e-mail us at [russell@museumservices.com](mailto:russell@museumservices.com)
